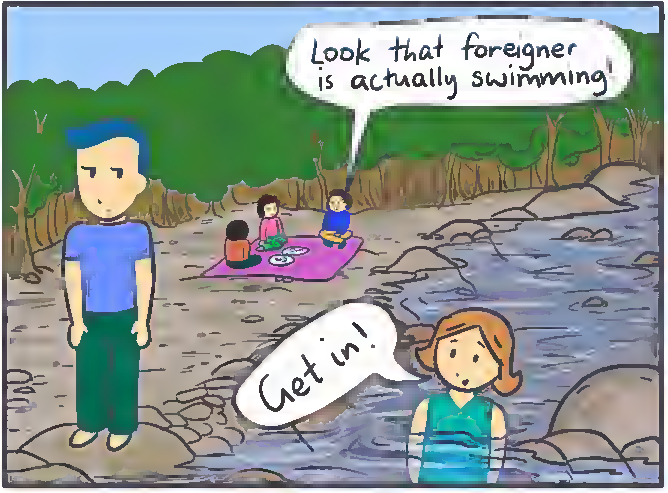
Huh? Where is she?

My one chance to go swimming during the Korean summer and I can't...

NICHOLALALA

The water is too cold, I'm scared of it and I need a life jacket



Look that foreigner is actually swimming!

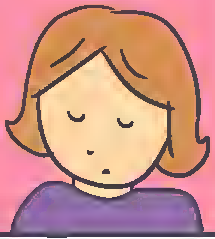
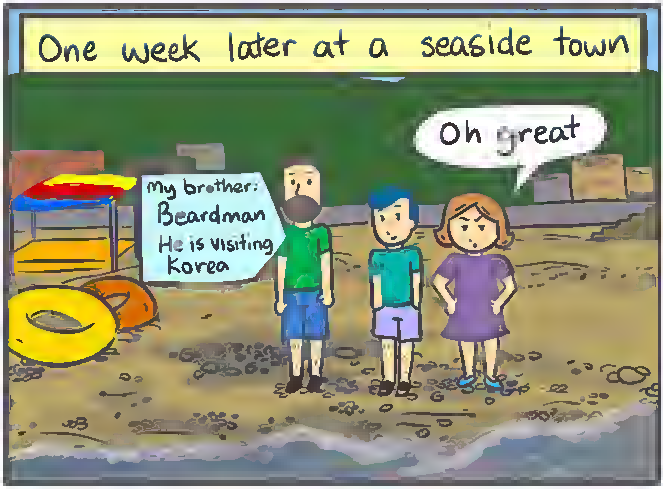
Korea doesn't have a big swimming culture

After I had an operation
No swimming or baths for a month

I rarely get to go swimming in Korea...



I didn't eat your babies I swear



One week later at a seaside town

My brother:

He is visiting
Korea
